**The following are suggestions to remember when completing your scholarship applications:**

- Unless the directions state otherwise, **ALL scholarship applications sent from the Guidance Office must be typed.** If you do not have access at home to a typewriter, please write as neatly as you can.
- Proofread your final application, and if possible, have someone else proof it as well. Mrs. Miller will be happy to proof any applications for you.
- When asking for recommendations, please be sure to ask them well in advance of the due date. Also, ask that they be addressed to "Scholarship Committee" so that they may be used for other applications if needed.
