I understand that in order to provide the safest possible environment and most complete educational program for my child, the school needs to be informed of any health conditions that may affect my child's school day or impact their learning.

I understand that medications of any kind are not allowed on school grounds without proper medical authorization clearance from the school nurse or her designee.

I understand that for the safety of my child, or to provide for their educational program, the school nurse may need to share information about my child's condition with appropriate school staff. This will be done in a confidential manner. If I do not wish that information shared, I must request in writing and file it with the school nurse.
