

COINS FOR CANINE ABE

This year Fremont Elementary students will be collecting coins to buy a safety vest for police dog Abe from the Angola police department instead of classroom gift exchanges. Our goal will be \$600. We will begin collecting coins on **Monday, December 3rd** and continue through Friday, December 14th. If we reach our goal, the students will have a movie on the Friday before break.

Abe is a canine from the Angola Sheriff's department and is one of their newest canines to the unit. We are hoping to provide the necessary items to keep Abe safe while he is on duty. Abe will be visiting our students on Thursday, November 29th so that the students can meet Abe and hear a little bit about him.
