LIBRARY BOOKS DUE!!!

We have a lot of library books still out. Notices were sent home this week with children who have not returned their book(s). All books and book replacement fees must be sent in before the last day of school. If children find their library book over the summer, please have them keep it in a safe place until school starts in August. If you have any questions, please feel free to email Mrs. Moss (mmoss@fcs.k12.in.us) or call the office to get a message to her.

UPDATED INFORMATION

If your address or other information has changed, please let the office know. We will be mailing home report cards, registration information, etc. at the end of the year and want to make sure you receive them.

A NOTE FROM THE CAFETERIA

Please make sure your child has money in their lunch account if they will be having the school lunch. Students will no longer be able to charge their lunch between now and the end of the school year. This will ensure that we do not have negative account balances over the summer months. **Thank you for your help!**

"The USDA is an equal opportunity provider and employer"

We are excited to have children's author and illustrator, Patricia Polacco, at Fremont Elementary on Tuesday June 4th. She will talk with students about how her family inspires her writing. She will be bringing the real keeping quilt and a piece of the meteorite that landed on her family farm. Both are the topics of two of her books. If students want a bookplate for a book that she has written bring it to school that day and we will place the special bookplate in it. This program is possible because of several donations from our community: Fremont American Legion, Fremont Public Library, Walmart, Fremont Community Fund, Tri Kappa Sorority, Psi Iota Sorority, Fremont Moose, and Walt and Shayne Tresenritter. **THANK YOU!!!!**
