

OFFER VERSES SERVE NOTIFICATION

Parents please be aware that Fremont Community Schools implements offer verses serve for breakfast and lunch for grades 3-12. Your student must take 3 of 4 items at breakfast and 1 must be a juice. At lunch your student must take 3 of 5 items and 1 must be a full serving of fruit or vegetable.

Grades K-2 are required to have every item on their plate at lunch per the state request. The state feels they were not choosing enough food for their age group.
