DOVE THE COMFORT DOG VISITS FREMONT ELEMENTARY

In December, Fremont Elementary was honored to receive a visit from a comfort dog named Dove. Dove is a Golden Retriever that is certified, has passed the AKC Good Citizenship Test and has completed 2000 or more hours of training. Dove will continue to visit Fremont Elementary school monthly and classes will have opportunities to visit her in whole group and small group settings. Dove will be able to help ease test anxiety for students, encourage reluctant readers to read and help with emotional support for struggling students.

If your child is allergic to dogs and you would not like him/her to visit Dove, please call the elementary office at 260-495-4385.
