Fremont Families

Fremont Community Schools will be delaying the opening of school. The first student day will be Monday, August 17, 2020.

By delaying the start of school we are hoping to see a decrease in local and statewide COVID-19 infections. Delaying will also give us an extra few days to plan and prepare to provide the healthiest learning environment possible for our students and staff. This is a difficult decision to make, but I believe it is the best discussion for Fremont Community Schools.

I will continue to provide updates to keep you informed of the changes that are taking place. I ask for your patience and understand as we navigate through this pandemic. Stay healthy and stay Fremont Strong.

Sincerely

Dr. William Stitt
Superintendent
